Exclusive residential complex in Marbella

Spain, Costa del Sol

Price:	€ 888 000
Object type	Apartment, Penthouse, Investment project, House
House type	New project
Market	New building
Year built	2022
Bedrooms	3
Apartment/building area	170 m2
Category	For sale

It is an exclusive residential complex made up of 42 homes; 28 multi-family houses, 12 semi-detached single-family houses and 2 individual chalets. Homes with 3 and 4 bedrooms. The complex will have 5 swimming pools, including an infinity pool, a swimming pool, and 3 other pools located in different areas of the project. In addition, it will also have a fully equipped gym, spa, cafeteria, concierge, co-working room and large garden areas. Indeed this development is the jewel of Costa del Sol, a true paradise. Surrounded by golf courses and overlooking the Mediterranean, the city offers all the options: from enjoying its hectic social life to the tranquility of its coves and natural landscapes. On the other hand, its modern marinas allow sailing and life at sea.
